Site Management

This is the site work team. The President, Landscape Architect from Keplinger Freeman Associates, Construction Manager from JK Tobin Construction Co and Islamic Community Center members.

Oversight and consultation is key in any construction project, so the committee is directly engaged in managing this project for success.

We will do our best to keep you updated weekly with the progress of the Islamic Community Center

Gov. Cuomo Halts all Non-essential Construction Statewide

The temporary ban, which will run through April 19, includes site work on the Islamic Community Center, as a response to spreading the COVID-19 virus.
