## Non-essential Construction Still at a Halt

The construction is on hold due to the COVID-19 epidemic. Hopefully it will resume soon, but fundraising is ongoing and not affected by the epidemic. To facilitate your desire to support this project, the ISCNY logo at the bottom of the page, when clicked, will take you to the ISCNY web page where you can make a secure donation.

We will do our best to keep you updated weekly with the progress of the  
Islamic Community Center

# 8 Minutes to the Islamic Community Center

It's only 8 minutes from ISCNY to the new Islamic Community Center by car and 35 minutes on Centro from the Centro Transit Hub. An easy destination for travelers on I-81 and I-481.
