Ground Breaking 2/20/2020 Success

On behalf of ISCNY shura members and The Islamic Community Center committee, I would like to take this opportunity to thank you and your family, Jazakom Allah Khairan for your generous donations and continuous support.

Alhamdulillah, the contract to start the Islamic Community Center site work was signed on 2/18/20. Site work was scheduled to start next Monday 2/24/2020, but trucks arrived on our ground breaking date—2/20/2020. The company that is assigned to do the work will have to do a lot of cleaning on the site before we invite our community. For safety reasons, we will invite our community a month from next Monday, it should be safe by then, ISA. We will be sending a weekly pictured update of the site work progress. Also, you can drive by the land at any time to have an idea what is going on.

Our 5th Islamic Community Center information session meeting is on Saturday, 2/22/20. You are invited, dinner is sponsored by two generous brothers from our community. Please attend and

be part of your project, ISA. We will have a movie night for children, you can bring your kids, ISA. Again, Jazakom Allahu khairan for all of your generous donations and continuous support. May Allah SWT make it sadaqa jariya (on going charity) for you and your family, Ameen Allahumma Ameen.

Jazakom Allahu Khairan,
Your brother/ Abdulilah Al-Dubai
ISCNY President
