Islamic Community Center Update

06-5-2020

**Your Dollars at Work!**

Al Hamdulillah! The Islamic Community Center is grateful for your donations, work, dua. All Muslims will benefit. From our youth to our seniors; the traveler and those in need of services.

Al Hamdulillah! Let's stay focused on the goal to build the Islamic Community Center and continue to do everything we can to make this project successful.

The ISCNY logo on the right will also take you to the ISCNY web page where you can make a secure donation.

# The Islamic Community Center Site is Cleared

It won't be long. A cleared site for the Islamic Community Center, drainage going in and beautiful wildlife gracing the land.

We will do our best to keep you updated weekly with the progress of the Islamic Community Center
