Islamic Community Center Update

6-12-2020

Driveway and Parking Around the Islamic Community Center

The storm drain and two detention ponds are complete. Cut and fill is about about 85% completion. A sewage line will run from town's connection point to the Islamic Community Center pad. The Water pipes will be run from the property line up to the Islamic Community Center pad. Also two fire hydrants will be installed. The parking lot will soon have crushed stone and work will start on the Islamic Community Center slab. InshAallah

OCWA connection of our pipes to the city water system will not start until the Islamic Community Center is constructed.

We will soon get estimates from

National Grid for electric service and OCWA for water, that will be connected when the Islamic Community Center is constructed.

The ISCNY logo on the right will also take you to the ISCNY web page where you can make a secure donation.

The Islamic Community Center is Shaping Up!

The construction company, JK Tobin is doing a great job. They may finish the site work in time for Eidul Adha. There is a great possibility that we can have the Eid Prayer at the site of the Islamic Community Center.

Jumuah Prayer During Phase 2 Reopening

As many of you might already know, the governor allowed congregational worship to be performed at 25% capacity. Based on that, ISCNy will start its first jumuah prayer this week since the beginning of the pandemic.

We must follow the guidelines below:

1. First prayer is from 1:00 to 1:15 PM and the second prayer is from 1:30 to 1:45 PM
2. Everyone must wear a mask
3. Bring your own prayer rug (sujjada)
4. Keep social distancing and follow the guideline (blue marks) in the mussala
5. Brothers and Sister 65 years old and above are highly recommended to pray at home
6. Make wudhu at home before coming to the masjid
7. No children under 16 years old are allowed at this point
8. Leave immediately after finishing jumuah prayer so the team can disinfect the area and prepare for the second prayer. Pray your sunnah at home
9. Please cooperate with volunteers

May Allah SWT protect us all, Ameen Allahumma Ameen

When We Walk Towards Allah SWT Allah SWT Comes Running

We must remind ourselves to race with each other to do good works. Good works that will benefit our community and bring us ease and light in the hereafter. Keeping in mind that the most important things are what we leave behind.

Let's stay united, continue the hard work. It is in our coming together that we have a share in the good of our hard work.
